Dear Shareholders:

The enclosed Information Statement is being furnished to the holders of record of shares of the common stock (the "Common Stock") of Sport Endurance, Inc., a Nevada corporation (the "Company"), as of the close of business on the record date, June 7, 2010. The purpose of the Information Statement is to notify our shareholders that on June 7, 2010 we received a written consent in lieu of a meeting of shareholders (the "Written Consent") from the holder of 34,320,000 shares of the issued and outstanding shares of our Common Stock (representing approximately 60%).

On or about June 7, 2010, the Company received written consents in lieu of a meeting of Stockholders from Shareholders owning a majority of the issued and outstanding shares 34,320,000 of the Company authorizing the Board to amend our Articles of Incorporation in the State of Nevada to increase the maximum number of shares of stock that the Company shall be authorized to have outstanding at any time to Five Hundred Million (500,000,000) shares of common stock at par value of \$0.001.

On June 7, 2010, our Board of Directors, pursuant to notice sent out to the shareholders, held the first annual meeting of shareholders, at which meeting the shareholders authorized and approved a forward stock split of five for one (5:1) of our total issued and outstanding shares of common stock (the "Forward Stock Split"). Each of our shareholders holding one share of common stock shall receive five shares (4 additional shares) of our common stock. The additional shares of our common stock to be issued to the shareholders in accordance with the Forward Stock Split will be mailed on as soon as is practicable without any action on the part of the shareholders.

The Forward Stock Split was effectuated based on market conditions and upon a determination by our Board of Directors that the Forward Stock Split was in our best interests and of the shareholders,

In our judgment, the Forward Stock Split will result in an increase in our trading float of shares of common stock available for sale resulting in facilitation of investor liquidity and trading volume potential. The intent of the Forward Stock Split is to increase the marketability of our common stock.

The Forward Stock Split was effectuated with a record date of June 7, 2010 upon filing the appropriate documentation with Finra. The Forward Stock Split increased the issued and outstanding shares of common stock from 57,200,000 to approximately 286,000,000 shares of common stock.

Commensurate with the Forward Stock Split, the authorized share capital was increased from 100,000,000 shares of common stock to 480,000,000 common shares, and 20,000,000 preferred shares, with a par value of \$0.001 per share.

In addition to the foregoing, the shareholders appointed 2 additional Directors, Ronald Schuuman, and Joe Gonzales.

You are urged to read the Information Statement in its entirety for a description of the actions taken by our majority shareholder. The resolutions will become effective twenty calendar days after this Information Statement is first mailed to our shareholders.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED
NOT TO SEND US A PROXY.**

No action is required by you. The enclosed Information Statement is being furnished to you to inform you that the foregoing actions have been approved by the holder of at least a majority of the outstanding shares of all of our voting capital stock. Because a shareholder holding at least a majority of the voting rights of our outstanding Common Stock has voted in favor of the foregoing action and has sufficient voting power to approve such actions through its ownership of Common Stock, no other shareholder consents will be solicited in connection with the matters described in this Information Statement. The Board is not soliciting your proxy in connection with the adoption of these resolutions and proxies are not requested from shareholders.

This Information Statement is being mailed on or about June 8, 2010 to shareholders of record on June 7, 2010.

Sincerely,

/s/ Robert Timothy

INFORMATION STATEMENT
PURSUANT TO SECTION 14(C)
OF THE SECURITIES EXCHANGE ACT OF 1934
AND RULE 14C-2 THEREUNDER

NO VOTE OR OTHER ACTION OF OUR SHAREHOLDERS ARE REQUIRED IN CONNECTION WITH
THIS INFORMATION STATEMENT.

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY**

This Information Statement is being furnished to the holders of record of shares of the common stock (the "Common Stock") of Sport Endurance, Inc., a Nevada corporation (the "Company"), as of the close of business on the record date, June 7, 2010. The purpose of the Information Statement is to notify our shareholders that on June 7, 2010 we received a written consent in lieu of a meeting of shareholders (the "Written Consent") from the holder of 34,320,000¹ shares (representing approximately 60%) of the issued and outstanding shares of our Common Stock.

The Written Consent adopted resolutions authorizing the Board to amend our Articles of Incorporation in the State of Nevada to increase the maximum number of shares of stock that the Company shall be authorized to have outstanding at any time to Five Hundred Million (500,000,000) shares of common stock at par value of \$0.001.

The resolutions will become effective twenty (20) calendar days after this Information Statement is first mailed to our shareholders.

Because a shareholder holding at least a majority of the voting rights of our outstanding Common Stock has voted in favor of the foregoing resolutions and has sufficient voting power to approve such actions through its ownership of Common Stock, no other shareholder consents will be solicited in connection with the transactions described in this Information Statement. The Board is not soliciting proxies in connection with the adoption of these resolutions and proxies are not requested from shareholders.

In accordance with our bylaws, our board of directors has fixed the close of business on June 7, 2010 as the record date for determining the shareholders entitled to notice of the above noted actions.

¹ The Company filed a Certificate of Change pursuant to Nevada Revised Statutes 78.209 (the "Certificate") on or about July 2, 2010 to effectuate a forward stock split (the "Forward Split") under Nevada law. Before the Forward Split becomes effective on the OTCBB, it must also be approved by the Financial Industry Regulatory Authority, Inc. ("FINRA"). The Company has commenced the process of obtaining FINRA approval, which is expected to take 4-6 weeks. Upon the approval of the Forward Split by FINRA, each 1 shares of common stock outstanding prior to the Forward Split will be converted into 5 share of common stock and all options, warrants, convertible notes and any other similar instruments convertible into shares of common stock will be proportionally adjusted. To the extent any fractional shares of common stock result from the Forward Split, the Company will pay to the holders thereof the fair market value of such fractional shares as determined based upon the trading price of the Company's common stock on the OTCBB as of the close of trading on the date the Forward Split is approved by FINRA. ALL SHARE NUMBERS REFLECTED IN THIS SCHEDULE 14C INFORMATION STATEMENT ARE PRE-REVERSE SPLIT NUMBERS.

This Information Statement was mailed on or about June 8, 2010 to shareholders of record on the record date.

We will pay all costs associated with the distribution of this Information Statement, including the costs of printing and mailing. In addition, we will only deliver one Information Statement to multiple security holders sharing an address, unless we have received contrary instructions from one or more of the security holders. Also, we will promptly deliver a separate copy of this Information Statement and future stockholder communication documents to any security holder at a shared address to which a single copy of this Information Statement was delivered, or deliver a single copy of this Information Statement and future stockholder communication documents to any security holder or holders sharing an address to which multiple copies are now delivered, upon written request to us at our address noted above.

Security holders may also address future requests regarding delivery of Information Statements by contacting us at the address noted above.

VOTE REQUIRED; MANNER OF APPROVAL

Approval to amend our current Articles of Incorporation under Nevada Revised Statute ("NRS") Section 78.390 (the "Amendment to the Articles") requires the affirmative vote of the holders of a majority of our voting power. In addition, NRS 78.320 provides in substance that shareholders may take action without a meeting of the shareholders and without prior notice if a consent or consents in writing, setting forth the action so taken, is signed by the holders of the outstanding voting shares holding not less than the minimum number of votes that would be necessary to approve such action at a shareholders' meeting. This action is effective when written consents from holders of record of a majority of the outstanding shares of voting stock are executed and delivered to us.

We currently have one class of voting stock. There are currently 57,200,000 shares of Common Stock issued and outstanding, and each share of Common Stock is entitled to one vote. Accordingly, the vote or written consent of the shareholders holding at least 29,172,000 (51%) shares of our issued and outstanding Common Stock is necessary to approve the filing of the Certificate of Amendment. In accordance with our bylaws, our board of directors has fixed the close of business on June 7, 2010 as the record date for determining the shareholders entitled to vote or give written consent.

On June 7, 2010, a shareholder holding 34,320,000 (representing approximately 60%) of the issued and outstanding shares of Common Stock, executed and delivered to us the Written Consent. Accordingly, in compliance with the NRS, at least a majority of the outstanding shares has approved the Amendment to the Articles. As a result, no vote or proxy is required by the remaining shareholders to approve the adoption of the resolution for the Amendment to the Articles.

Under Rule 14c-2 promulgated under the Securities Exchange Act of 1934, as amended (the "Act"), the Articles of Amendment may not be filed with the Nevada Secretary of State until twenty (20) calendar days after this Information Statement is first mailed to our shareholders. As mentioned earlier, the Amendment to the Articles will become effective upon the filing of the Certificate of Amendment with the Secretary of State of the State of Nevada, which is anticipated to be on or about July 2, 2010, twenty days after the mailing of this Information Statement.

PURPOSES AND EFFECT OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION

On June 7, 2010, a shareholder holding a majority of our issued and outstanding Common Stock 34,200,000 approved an Amendment to the Articles to change the following

1. The Written Consent adopted resolutions authorizing the Board to amend our Articles of Incorporation in the State of Nevada to increase the maximum number of shares of stock that the Company shall be authorized to have outstanding at any time to Five Hundred Million (500,000,000) shares of common stock at par value of \$0.001.

2. FORWARD STOCK SPLIT

On June 7, 2010, our Board of Directors, pursuant to minutes of written consent in lieu of a special meeting, authorized and approved a forward stock split of five for one (5:1) of our total issued and outstanding shares of common stock (the "Forward Stock Split"). Each of our shareholders holding one share of common stock was entitled to receive an additional five shares of our common stock. The additional shares of our common stock to be issued to the shareholders in accordance with the Forward Stock Split will be mailed on approximately June 7, 2010 without any action on the part of the shareholders.

The Forward Stock Split was effectuated based on market conditions and upon a determination by our Board of Directors that the Forward Stock Split was in our best interests and of the shareholders. In our judgment, the Forward Stock Split will result in an increase in our trading float of shares of common stock available for sale resulting in facilitation of investor liquidity and trading volume potential. The intent of the Forward Stock Split is to increase the marketability of our common stock.

The Forward Stock Split was effectuated with a record date of June 7, 2010 upon filing the appropriate documentation with Finra. The Forward Stock Split increased the issued and outstanding shares of common stock from 57,200,000 to approximately 286,000,000 shares of common stock.

Commensurate with the Forward Stock Split, the authorized share capital was increased from 100,000,000 shares of common stock to 500,000,000 with a par value of \$0.001 per share.

Our Board believes that the increase in the number of shares and the 5 to 1 forward split is in the best interest of the Company and its shareholders.

DISSENTER'S RIGHTS OF APPRAISAL

Section 78.3793 of Nevada Revised Statute ("NRS") which provides dissenting shareholders with rights to obtain payment of the fair value of his/her shares in the case of control share acquisition is not applicable to the matters disclosed in this Information Statement. Accordingly, dissenting shareholders will not have rights to appraisal in connection with the amendment to the Articles of Incorporation discussed in this Information Statement.

AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK

The Company's Articles of Incorporation, as amended (the "Articles of Incorporation") authorizes the maximum number of shares outstanding at any time shall be One Hundred Million (100,000,000) shares of common stock with no preemptive rights, \$0.001 par value. On June 7, 2010, the Board approved an amendment to the Articles of Incorporation to authorize Five Hundred Million (500,000,000) shares of common stock. Each share of common stock is entitled to one vote. The Board is authorized to fix the number of shares of and to determine or alter the rights, preferences, privileges and restrictions granted to or imposed upon the common stock or preferred stock. These additional shares of common stock will have the same rights, privileges, preferences and restrictions as the Company's shares of common stock which are currently authorized.

The general purpose and effect of the amendment to the Company's Articles of Incorporation is to authorize Five Hundred Million (500,000,000) shares of common stock. Such increase is not attributable to a specific transaction, or anticipated transaction. As such, no consideration has been received or is to be received by the Company for a transaction underlying the increase in common stock. The reason for the increase is to be able to use the additional common shares as a tool to attract companies to engage in mergers and acquisitions with the Company along with giving the company more liquidity. The general effect upon the rights of the existing security holders as a result of the increase in common stock is an overall dilution of the Company's stock and the inherent affects that increasing the Company's outstanding common stock has on shareholder value based on the dilutive impact of the additional authorized shares. If the Board deems it to be in the best interests of the Company and the stockholders of the Company to issue additional shares of common stock in the future from authorized shares, the Board generally will not seek further authorization by vote of the Stockholders, unless such authorization is otherwise required by law or regulations.

OTHER MATTERS

The Board knows of no other matters other than those described in this Information Statement which have been approved or considered by the holders of a majority of the shares of our voting capital stock.
